

Tri-City Eagles 2021-22

Programming and Fees

12U

We believe that while it is appropriate for most young women to transition to girls only teams at 14U, it is also very important for 12U aged girls and younger to have the opportunity to play with both girls and boys. It is critical at this young age to be challenged by peers, regardless of gender, so that player development can be maximized. Finding appropriate competition in both practices and games is the key. TCE believes that this particular age group stands to gain the most when provided realistic and attainable dual rostering opportunities, expectations, and commitments.

In this model, TCE is building two 12U Girls teams. Both teams will target approximately 25 games and will practice once a week. The goal is to encourage our 10U and 12U aged female players to dual roster on Youth Travel teams (approximately 45 games, 2 practices per week) AND enjoy the all girls experience in our 12U Girls program without the stress of constant conflicts and unrealistic expectations.

12U Girls Blue will seek approximately 12 high level non-league games (home and away) and will enter 4 appropriately competitive tournaments.

12U Girls Gold will compete in the 12U Girls CBHL division and play in 3 appropriately competitive tournaments.

*The Travel Club Fee covers practices, games, coaches, and other fees associated with all teams within the club. It also includes team specific expenses such as travel and lodging for a non-parent head coach, tournament registrations, and other miscellaneous expenses that pertain to the team itself. **Please note that any team deciding to participate in more than the listed number of tournaments will be billed for the additional costs prior to the end of the season.**

****Uniform and Apparel are separate fees.**
